

BOARD OF STANDARDS & APPEALS (BSA) PUBLIC HEARING

WEDNESDAY, MARCH 29, 10:00 AM

40 Rector Street, 6th Fl., 6E-Conference Room, NYC

Join the South Park Slope Community Group and
the Concerned Citizens of Greenwood Hts. in protesting
against the “vesting” of ANY property under our old zoning.

The BSA will hear arguments and **public testimony** at this special hearing on the
following properties' BZY applications for “vesting” (in order of hearing):

245 16th Street (btwn 5th & 6th Aves)
614 7th Avenue “Minerva Building” (corner of 23rd St.)
182 15th Street “Katan Towers” (btwn 4th & 5th Aves)
422 Prospect Avenue (btwn 7th & 8th Aves)
400 15th Street (btwn 7th & 8th Aves)
639 Sixth Avenue (corner of 18th St.)

Please attend this very important meeting (if only for a portion of the hearing and
even if you don't wish to give testimony). This is the final stage in our fight for the
rezoning of our community. Let's pack the room to show the BSA that these
developers MUST COMPLY under our new zoning.

BE THERE TO SEND THE FINAL MESSAGE:
NO “VESTING” AND NO OUT-OF-CONTEXT BUILDINGS IN OUR COMMUNITY!
